

ACADEMIC HONORS

Honor Lists

Each semester, academic achievement is recognized by entering students' names on the chancellor's honor list and the dean's honor list. The chancellor's honor list requires a GPA of 4.0 earned on a minimum of 12 credited semester hours. The dean's honor list requires a grade point average of 3.5 or higher earned on a minimum of 12 credited semester hours. No course carried on a pass-fail basis is counted toward the 12 hours required for either the Chancellor's or Dean's Lists.

Graduation With Honors

Graduation with honors will be based on a student's "Total Institution" GPA (in the USC System). Honors designators are determined at the time of graduation and may not be applied retroactively. To graduate with such honors, a student must have earned at least 60 credit hours applicable to the degree in residence in the USC System. Courses taken as a transient student at other institutions, by correspondence, by examination, or by exemption are not considered "in residence." The following designations indicate a consistently high level of academic achievement in the USC System:

- *Summa cum Laude*: An overall and USC GPA of 3.95-4.00
- *Magna cum Laude*: An overall and USC GPA of 3.75-3.94
- *Cum Laude*: An overall and USC GPA of 3.50-3.74

For purposes of the graduation ceremony and program, academic honors are calculated on the student's previous semester.
