

CRIMINAL JUSTICE MASTER OF SCIENCE (*SPRING 2024)

The Master of Science in Criminal Justice provides students with advanced knowledge of crime, the criminal justice system, and related policy proposals to address adverse outcomes and disparities associated with the system. The program offers rigorous training in social science theory and methods and their application in areas such as criminal justice administration, evidence-based policing, public policy reform, and victim advocacy. Upon completion of the program, graduates will be prepared to work, or advance their careers in a wide array of criminal justice and social service-related fields, gain employment in organizations that require the application of social sciences methods (e.g., program evaluation, grant writing, etc.), or continue their studies in a Ph.D. program.

Program Objectives

1. Provide students with the skills to apply concepts, theories, and empirical evidence within criminal justice and social service agencies.
2. Prepare graduates to conduct and utilize applied research in criminal justice and social services to meet workforce needs.
3. Provide students with the necessary skills to effectively communicate empirical research finding and theoretical implications.

Student Learning Objectives

- 1.1 Critically evaluate empirical evidence, especially as it relates to criminal justice and social services.
- 1.2 Apply abstract concepts and theories to address issues within criminal justice and social services.
 - 2.1 Design and complete an original research project that could inform criminal justice or social service agencies.
 - 2.2 Apply empirical data to address issues in a particular area of criminal justice or social services (e.g., law enforcement, victim advocacy, etc.).
- 3.1 Effectively communicate original research findings and theoretical implications in written and oral form.

Admission Requirements

A Baccalaureate or higher degree from an accredited college or university, or at least 90 hours of completed undergraduate credit hours and concurrent undergraduate enrollment in USC Upstate. Applicants to the 2-year program should have a GPA of 3.0 or above from an accredited university. Applicants with a GPA between 2.5 and 3.0 from an accredited university may be considered for conditional admission. Applicants to the 4+1 program must have a GPA of 3.5 or above. Applications are reviewed holistically. A personal statement and letters of reference are important contributors to the decision process.

Application Requirements

1. Application, application fee, residency form with all requested information and supporting documents.
2. Transcripts: Individuals seeking admission must provide official transcripts showing all post-secondary coursework attempted and an award of a baccalaureate degree from an accredited college or university. USC Upstate students who have completed at least 90 credit hours and wish to enroll in the 4+1 program may also apply. To be considered official, transcripts must be sent directly from the institution to USC Upstate or delivered in a sealed envelope bearing a registrar's stamp.
3. Letter of recommendation: Two letters of recommendation are required. Letters should be from professionals knowledgeable about the student's academic or professional potential.
4. Personal statement: Applicants are required to submit a one-page personal statement that describes their career goals and how this degree will be utilized to help attain those goals.
