## General Regulations

### Alcohol Policy

USC Upstate enforces a strong alcohol policy in order to respect the academic environment and protect the welfare of individuals accessing the campus. The University complies with the Drug-Free Schools and Communities Act Amendment of 1989 in establishing and enforcing alcohol and drug policy. Consult the USC Upstate Student Handbook for a current copy of the Alcohol Policy.

### Tobacco-Free Campus Policy

The University of South Carolina Upstate is concerned about the toll that smoking and tobacco use has on the health and well-being of the

University community. As a public institution of higher education with departments that have interest in and treat the effects of smoking, second-hand smoke, and other tobacco use, USC Upstate believes it has an obligation to exercise leadership by promoting a healthy tobacco-free and smoke-free environment for its students, faculty, staff, and visitors.

As part of a global wellness initiative for the University, USC Upstate shall become a completely tobacco-free and smoke-free campus. The policy expands the 2011 smoke-free/tobacco-free policy to include the use of electronic cigarettes (e-cigarettes) of any kind (either prescribed or non-prescribed electronic nicotine delivery devices). Civility and respect are expected by all members of the University community as we make this transition. For a full review of the policy, please reference the USC Upstate website ([www.uscupstate.edu/smokefree](http://www.uscupstate.edu/smokefree) (<http://www.uscupstate.edu/smokefree/>)).
