

BADM - BUSINESS ADMINISTRATION (BADM)

BADM U279 Business Professionalism 1 Credit Hour

Executive, professional, and interpersonal skills related to being a business student and in business environments. Topics vary but may include study and information skills, verbal, non-verbal and written communication, interviewing, networking, internship/job search strategies, handling conflict, understanding organizational culture and cultural differences, and provisional techniques to enhance professional development and strengths.

Prerequisite(s): 30 credit hours earned and SPCH U201.

Typically Offered: Upstate Fall Offering, Upstate Spring Offering

BADM U298 Introduction to Business 3 Credit Hours

The market driven economy and the role and functional areas of the business enterprise. Business operations and the synergies between them will be studied including accounting, entrepreneurship, finance, management, marketing, production, supply chain and logistics. Careers related to these operations will be discussed.

BADM U399 Independent Study 1-6 Credit Hours

An individualized program of study planned in conjunction with a Johnson College of Business and Economics faculty member. Course may be repeated with a different independent study contract description during the same semester and during subsequent semesters.

Prerequisite(s): Admission to the Johnson College of Business and Economics Professional Program (Upper Division), or enrollment in a Business minor, or consent of college.

BADM U478 Senior Seminar: Business Strategy 3 Credit Hours

Understanding how the success of organizations relates to their "strategic level" decisions with an emphasis on risk management. Students experience hands-on application with case studies of actual businesses through team and individual exercises and individual presentations.

Prerequisite(s): admission to the Johnson College of Business and Economics Professional Program (Upper Division), or enrollment in a Business minor, or permission of the college, senior standing, successful completion of all 200-level business core courses with a grade of C or better (except one D is permitted), and successful completion of all 300-level business core courses with a grade of C or better, excluding the course in international business as defined by the major.

Pre/Corequisite(s): Course in international business as defined by the major.

BADM U498 Major Field Test in Business 1 Credit Hour

Review for and take the ETS Major Field Test (MFT) for the Bachelor's Degree in Business. The tests topic areas are accounting, economics, management, quantitative business analysis, information systems, finance, marketing, legal and social environment, and international issues. Pass/Fail credit.

Prerequisite(s): Admission to the Johnson College of Business and Economics Professional Program (Upper Division), or enrollment in a business minor, or consent of the college.

Pre/Corequisite(s): BADM U478.

BADM U499 Business Internship 3 Credit Hours

Supervised work experience in a business environment. A minimum of eight hours of scheduled work per week is required. Additional requirements may include periodic class meetings, individual consultations with the instructor, and a concluding report and presentation. A contractual agreement signed by the employer, the student, the instructor and associate dean is mandatory. Pass/Fail credit. Prerequisite(s): Admission to the Johnson College of Business and Economics professional program.
